NOTES	<p>The Village will charge the Permit Fee (minimum where applicable), the the total of applicable unit fees, a Plan Review Fee for new residential and commercial/industrial/multiple construction and the Annual Registration Fee for both homeowner and licensed contractors permits. The permit will include the minimum number of inspections as part of the permit; Reinspections will be charged where applicable, and the Inspection Travel Fee for all inspections , including the minimum included inspections. Should the applicant wish to speak to the Inspector before pulling a permit, there may be a 5 minute minimum consultation by phone but should more time be required, the potential applicant will have to pay the Hourly Inspection/Consultation Fee before further consultation takes place (at the discretion of the Inspector).</p> <p>All fees due to the Village must be paid before a certificate of occupancy will be issued. The registration fee is not included in the permit fee.</p> <p>All permits will be valid for one year unless an extension is applied for, paid for and approved before the expiration of the original permit; the extension will be for up to one year in six month increments from the end date of the permit originally permitted.</p>
