NOTES	<p>The Village will charge the Permit Fee (minimum where applicable), the the total of applicable unit fees, a Plan Review Fee for new residential and commercial/industrial/multiple construction and the Annual Registration Fee for both homeowner and licensed contractors permits. The permit will include the minimum number of inspections as part of the permit; Reinspections will be charged where applicable, and the Inspection Travel Fee for all inspections , including the minimum included inspections. Should the applicant wish to speak to the Inspector before pulling a permit, there may be a 5 minute minimum consultation by phone but should more time be required, the potential applicant will have to pay the Hourly Inspection/Consultation Fee before further consultation takes place (at the discretion of the Inspector).</p>			
	All fees due to the Village must be paid before a certificate of occupancy will be issued.			
	All permits will be valid for one year unless an extension is applied for, paid for and approved before the expiration of the original permit; the extension will be for up to one year in six month increments from the end date of the permit originally permitted.
