GINGERBREAD HOUSE RULES

The Gingerbread Houses must be made out of gingerbread/graham cookies, not any other type of material. They may be mounted on plywood platforms or another hard surface.

Structures are not limited to houses....creativity is highly encouraged.

All items used in building and decorating the Gingerbread House must be edible, except for the base.

Please NO NUTS, due to allergies.

The size of the base must not be any larger than 18 inches wide by 18 inches long.

Groups may submit one entry within the appropriate age group. (All participants must be in that age group and listed on the registration form)

Gingerbread Houses can be picked up at the end of the event, or they will be discarded after.
